The Nines at Brunello overlooks the beautiful 9th Hole of The Links at Brunello, which was ranked **3rd in North America** for Best New Golf Courses 2015 by:

**Golf Digest**

*PRESS RELEASE - November 12, 2015*

HALIFAX, NS – After opening just six months ago, Halifax's newest golf course has already reached one of the pinnacles of the golf game – being named the Top 3rd of ten Best New Golf Courses in North America by Golf Digest.

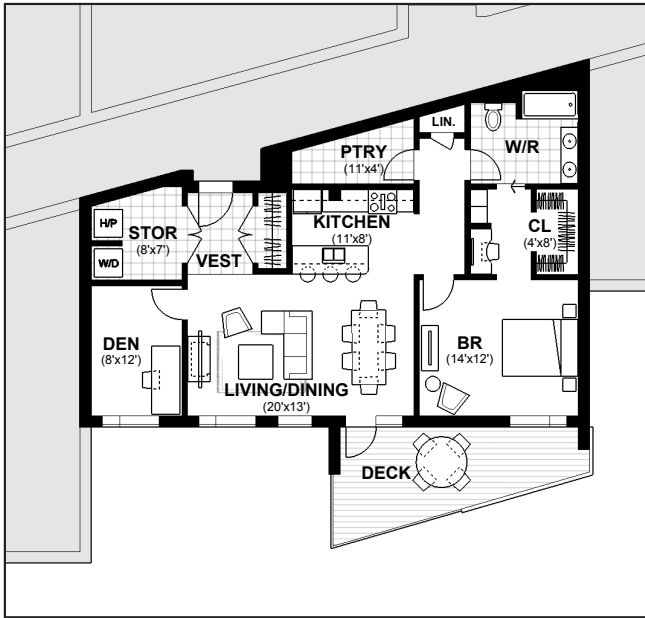

**"A beautiful test of golf... Every hole is as much fun as the hole before, a must play,"** Golf Digest reported this week. **"Tom McBroom's design is carved from thick forests amid gigantic granite boulders."**

Architect Tom McBroom, the mastermind architect of The Links at Brunello, describes it as a course that **"boasts stunning vistas and is laid out on dramatic terrain that enables us to give golfers the 'wow' they are looking for."**

Brunello Estates is a public course and offers golf enthusiasts the ability to purchase Brunello Advantage cards for multiple-round discounts.

The Links at Brunello is part of the Brunello Estates community, one of Halifax's newest lifestyle developments, located just 15 minutes from downtown at Exit 3 off Highway 103, and just three minutes past Bayers Lake. It offers a wide range of quality-crafted, single-family homes, townhomes, and condominiums.
